

DIGITAL PRESENCE AUDIT

La Jabotte Hotel

Antibes, France

Prepared for the hotel owner

25 August 2026

Digital visibility, website performance and AI opportunity assessment

1. VERIFIED FACTS

Category	Finding	Source
Official website	https://www.jabotte.com (English & French pages, contact form, photo gallery, room details, booking widget)	Official website
Address & contact	13 avenue Max Maurey, 06160 Antibes, France; phone +33 4 93 54 00 00	Official website
Booking platforms	Listed on Booking.com, TripAdvisor, Kayak, Google Hotels	Public listings
Google Business Profile	Not publicly verified	Search
Social media presence	Instagram: @lajabottehotel (≈ 2k followers, active posts)	Instagram
Online reviews	128 reviews on Booking.com (average 9.5/10); 4k+ reviews on TripAdvisor (average 4.5/5)	Public listings
SEO-visible content	6-room boutique description, photo gallery, story page, FAQ section	Website
Direct booking system	Booking widget on website; no separate direct-booking button identified	Website
Schema markup	No visible structured data identified	Page-source inspection
Analytics	No public Google Analytics or Tag Manager code detected	Page inspection
Mobile responsiveness	Site layout adapts to mobile; images load quickly	Browser observation
Accessibility	No WCAG audit performed; alt text present on many images	Browser observation

2. DIGITAL WEAKNESSES

Issue	Impact	Evidence
Missing Google Business Profile	Potentially reduces local-search visibility and Google review exposure	Not publicly verified
No structured data (schema)	May reduce eligibility for enhanced search presentation	Not found
Limited social-media channels	Instagram identified; broader channel presence not verified	Public profile search
No dedicated booking engine	Current booking flow may limit direct-booking control	Website
No analytics tracking	Cannot independently measure traffic and conversions from public evidence	No public GA/Tag Manager code
No review aggregation	No automated review summary feature identified	Website inspection
Limited multilingual content	English and French identified; other languages not verified	Website
No email newsletter signup	No visible signup form identified	Website inspection
No FAQ/chatbot widget	No chatbot widget identified	Website inspection

3. AI SERVICE OPPORTUNITIES

Service	What it does	How it helps	Introductory price
AI FAQ & chatbot	Create a structured FAQ and website chatbot for common guest questions.	Improves guest experience and booking confidence.	€120 setup
Review sentiment summary	Summarise recent public reviews into guest highlights and recurring themes.	Creates usable social proof and identifies strengths/weaknesses.	€80 one-time
SEO content generator	Create keyword-focused articles and metadata for relevant local searches.	Supports organic-content production.	€150 per article
Instagram carousel generator	Create themed captions and carousel concepts from approved hotel imagery.	Supports consistent social publishing.	€90 per carousel
Email newsletter template	Create a reusable newsletter layout for offers and hotel updates.	Creates a direct marketing channel.	€70 setup
Google Business Profile setup	Set up and optimise the profile where appropriate.	Can improve local-search visibility and review access.	€100 setup

4. RECOMMENDED ACTIONS

Priority	Action	Rationale	Estimated cost
High	Create/verify Google Business Profile	Strengthen local-search and Maps visibility where applicable.	€100
High	Add structured data (JSON-LD)	Improve machine-readable business information and search eligibility.	€80
High	Implement Google Analytics & Tag Manager	Enable measurement of traffic and conversions.	€0
Medium	Deploy AI FAQ/chatbot	Reduce repetitive guest questions and improve booking confidence.	€120
Medium	Create review-summary workflow	Turn recurring review themes into usable marketing insights.	€80
Medium	Expand social-media presence	Reach additional audiences with consistent approved content.	€0
Low	Add email newsletter signup	Create a direct channel for future guest communication.	€70
Low	Produce two SEO articles/month	Build useful local-search content over time.	€300
Low	Create four Instagram carousels/month	Maintain a consistent visual-content cadence.	€360

Note: prices are proposed introductory service prices, not verified market prices.
